ABOUT

I'm a filmmaker and actor based out of New York. As a storyteller, I believe in the power of cinema and the impact it can have on our hearts and minds. I caught the bug as a child by watching dubbed favorites on repeat and filming skits with my dad's VHS camcorder. I kindled that passion through over a decade of work as an actor and naturally developed a need to tell my own stories as a filmmaker.

DRIVEN · PASSIONATE · IMAGINATIVE · CONSISTENT
